SUBJECT

Request approval of a sole source Agreement with Toshiba America Medical Systems, Inc. for equipment maintenance and repair services of the Computed Tomography Scanners at Department of Health Services' LAC+USC Medical Center.

IT IS RECOMMENDED THAT THE BOARD:

1. Authorize the Director of Health Services (Director), or his designee, to execute a sole source Agreement with Toshiba America Medical Systems, Inc. (Toshiba), effective upon Board approval, with a term of five years, commencing on December 1, 2013 through November 30, 2018, for the provision of equipment maintenance and repair services of the Computed Tomography Scanners (CT Scanners) at LAC+USC Medical Center (LAC+USC MC), with a five-year cost of \$3,405,628 (\$681,126 annually) through November 30, 2018.

2. Delegate authority to the Director, or his designee, to amend the above

www.dhs.lacounty.gov

mentioned Agreement to increase the total maximum obligation by no more than 25 percent above the first contract-year cost for a potential increase of \$170,282 annually to add equipment coming off warranty, to authorize and pay for repairs or maintenance for equipment that is excluded under the Agreement's basic maintenance service, and add equipment/services to additional Department of Health Services (DHS) locations.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the first recommendation will allow the Director, or his designee, to execute a sole source Agreement, substantially similar to Exhibit I, to obtain equipment maintenance and repair services for the CT Scanners located at LAC+USC MC. A CT scan creates detailed pictures of the body, including the brain, chest, spine, and abdomen. The scans can be used to diagnose an infection, guide a surgeon to the right area during a biopsy, identify masses and tumors (including cancer), and study blood vessels. The Toshiba CT Scanners provide high-resolution, three-dimensional images at the lowest possible dose. Toshiba's CT technology optimizes the image quality and is the essential foundation for the highest level of diagnostic radiology.

Approval of the second recommendation will allow the Director, or his designee, to increase the maximum obligation of the Agreement up to 25 percent of the annual agreement maximum, if necessary, to add equipment coming off warranty, to delete equipment no longer in service, to authorize and pay for repairs or maintenance for equipment that is excluded under the Agreement's basic maintenance services, to add as-needed professional services, and add equipment/services to additional DHS locations. In accordance with Board Policy 5.120, on October 15, 2013, DHS provided the Board, with a copy to Chief Executive Officer, the required two-week notice of intent to request a delegation of authority in excess of 10 percent.

The Joint Commission on the Accreditation of Healthcare Organizations (The Joint Commission) requires facilities to ensure routine preventative maintenance, timely repairs, and performance/safety testing of its equipment and to maintain patient safety. Therefore, this delegated authority is necessary to enable the Agreement to be amended timely to guarantee that the critical equipment is maintained appropriately, as well as to meet the requirements of The Joint Commission. Board policy generally allows delegated authority to increase the maximum obligation up to 10 percent. However, based on experience in recent years with several other equipment maintenance service agreements, DHS believes that requesting 25 percent for potential increases is appropriate since adding even a few pieces of equipment or an additional facility may require a significant funding increase.

The DHS facilities will only request that equipment or locations be added, if additional services are needed and funding is available in the facility's budget.

Implementation of Strategic Plan Goals

The recommended actions support Goal 1, Operational Effectiveness, and Goal 3, Integrated Services Delivery, of the County's Strategic Plan.

FISCAL IMPACT/FINANCING

The total five-year maximum obligation for Agreement is \$3,405,628.

The total five-year potential increase under the 25 percent delegated authority is \$851,407 and would be funded using existing resources.

Funding is included in DHS' Fiscal Year 2013-14 Final Budget and will be requested in future fiscal years as necessary.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

LAC+USC MC purchased four Toshiba CT Scanners prior to moving to the Replacement Facility. The equipment is currently covered under extended warranty through November 30, 2013. Toshiba is an Original Equipment Manufacturer (OEM). Whenever possible, the DHS contracts with the OEM to ensure that the medical equipment, which often uses proprietary technology, performs in accordance with equipment specifications. Another benefit to contracting with the OEM is the guarantee of faster access to OEM parts when repair services, especially for emergencies, are needed.

DHS has negotiated free upgrade worth \$920,000 to the existing four CT Scanners. The upgrade consists of VeloCT console that includes multiple dose reduction technologies, dose management tools, advanced hardware that enables accelerated workflow and comes with free installation. The upgrade will enhance patient safety and lower patient radiation dose on every CT examination in exchange for five year maintenance and repair services agreement. If the agreement is terminated earlier, the County will need to pay the upgrade cost amortized over the term of the agreement.

DHS has determined that this is not a Proposition A agreement because the services are provided on a part-time and intermittent basis, and therefore, provisions of the County's Living Wage Program County Code Charter 2.201 do not apply.

County Counsel has approved Exhibit I as to form.

CONTRACTING PROCESS

Toshiba is an OEM and is the sole provider of maintenance services and parts for this proprietary equipment. Only Toshiba technicians are certified to repair and maintain the proprietary equipment.

In accordance with Board Policy 5.100, on May 1, 2013, DHS provided the Board, with a copy to Chief Executive Officer, the required advanced notice of sole source agreement negotiation with Toshiba. A sole source justification for the recommended Toshiba Agreement is attached as Attachment A.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the recommendations will allow DHS to obtain critical equipment maintenance and repair services for LAC+USC MC.

The County reserves the right to add and/or change such provisions as required by the County's Board of Supervisors. To implement such changes, an Amendment to the Agreement shall be prepared by the County and then executed by the Contractor and by the Director or his designee. Notwithstanding the above, no Amendment shall govern unless it is mutually executed by the County and Contractor.

- 8.1.3 The Director or his designee, may require, at his sole discretion, the addition and/or change of certain terms and conditions in the Agreement to conform to changes in federal or state law or regulation or County policy, during the term of this Agreement. The County reserves the unilateral right to add and/or change such provisions as required by law, regulation or County policy, to preserve this Agreement's conformity and compliance to federal and state law or regulation or County policy as deemed necessary by the County's Board of Supervisors, County Counsel or the Chief Executive Officer. Notwithstanding the above, no Amendment shall govern unless it is mutually executed by the County and Contractor.
- 8.1.4 The Director or his designee may amend Exhibit B – Pricing Schedule to add or delete equipment inventory or add or delete DHS facilities, subject to an amendment to be signed by both parties.
- 8.1.5 The Director or his designee may increase the maximum obligation by more than 25% of the total maximum obligation of Agreement to accommodate increase in cost due to additional service and equipment inventory. To implement such a change a written amendment to the Agreement, which is formally executed by the parties, must be executed.

8.2 ASSIGNMENT AND DELEGATION

- 8.2.1 The Contractor shall not assign its rights or delegate its duties under this Agreement, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this sub-paragraph, County consent shall require a written amendment to the Agreement, which is formally approved and executed by the parties. Any payments by the County to any approved delegate or assignee on any claim under this Agreement shall be deductible, at County's sole discretion, against the claims, which the Contractor may have against the County.
- 8.2.2 Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange,

assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Agreement.

- 8.2.3 Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of the Agreement which may result in the termination of this Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

8.3 AUTHORIZATION WARRANTY

The Contractor represents and warrants that the person executing this Agreement for the Contractor is an authorized agent who has actual authority to bind the Contractor to each and every term, condition, and obligation of this Agreement and that all requirements of the Contractor have been fulfilled to provide such actual authority.

8.4 BUDGET REDUCTIONS

In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County contracts, the County reserves the right to reduce its payment obligation under this Agreement correspondingly for that fiscal year and any subsequent fiscal year during the term of this Agreement (including any extensions), and the services to be provided by the Contractor under this Agreement shall also be reduced correspondingly. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentence, the Contractor shall continue to provide all of the services set forth in this Agreement.

By executing this Agreement, Contractor certifies that neither it nor any of its owners, officers, partners, or directors or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Further, by executing this Agreement, Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner, director, or other principal of any subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor shall immediately notify County in writing, during the term of this Agreement, should it or any of its subcontractors or any principals of either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material breach of this Agreement upon which the County may immediately terminate or suspend this Agreement.

- 8.6.1 Within 30 business days after Agreement effective date, the Contractor shall provide the County with the Contractor's policy for receiving, investigating and responding to user complaints.
- 8.6.2 The County will review the Contractor's policy and provide the Contractor with approval of said plan or with requested changes.
- 8.6.3 If the County requests changes in the Contractor's policy, the Contractor shall make such changes and resubmit the plan within 15 business days for County approval.
- 8.6.4 If, at any time, the Contractor wishes to change the Contractor's policy, the Contractor shall submit proposed changes to the County for approval before implementation.

- 8.6.5 The Contractor shall preliminarily investigate all complaints and notify the Facility's Project Manager of the status of the investigation within 15 business days of receiving the complaint.
- 8.6.6 When complaints cannot be resolved informally, a system of follow-through shall be instituted which adheres to formal plans for specific actions and strict time deadlines.
- 8.6.7 Copies of all written responses shall be sent to the Facility's Project Manager within 15 business days of mailing to the complainant.

- 8.7.2 Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, administrative penalties and fines assessed, costs, and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with any such laws, rules, regulations, ordinances, directives, guidelines, policies, or procedures, as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this sub-paragraph 8.7 shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be

entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

8.8 COMPLIANCE WITH CIVIL RIGHTS LAWS - ANTI-DISCRIMINATION AND AFFIRMATIVE ACTION LAWS

- 8.8.1 The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17); the Fair Employment & Housing Act, Government Code Section 12920-12922; and Affirmative Action in County Agreements, Chapter 4.32 of the Los Angeles County Code to the end that no person shall, on the grounds of race, color, religious creed, ancestry, national origin, sex, sexual orientation, age, physical or mental disability, medical condition, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Agreement or under any project, program, or activity supported by this Agreement.
- 8.8.2 The Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religious creed, ancestry, national origin, sex, sexual orientation, age, physical or mental disability, medical condition, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.
- 8.8.3 The Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religious creed, ancestry, national origin, sex, sexual orientation, age, physical or mental disability, medical condition, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations. Such action shall include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

- 8.8.5 The Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religious creed, ancestry, national origin, sex, sexual orientation, age, physical or mental disability, medical condition, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Agreement or under any project, program, or activity supported by this Agreement.
- 8.8.6 The Contractor shall allow County representatives access to the Contractor's employment records during regular business hours to verify compliance with the provisions of this sub-paragraph 8.8 when so requested by the County.
- 8.8.7 If the County finds that any provisions of this sub-paragraph 8.8 have been violated, such violation shall constitute a material breach of this Agreement upon which the County may terminate or suspend this Agreement. While the County reserves the right to determine independently that the anti-discrimination provisions of this Agreement have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Agreement.
- 8.8.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Agreement, the County shall, at its sole option, be entitled to the sum of Five Hundred Dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Agreement.

Contractor shall not discriminate in the provision of services hereunder because of race, color, religious creed, national origin, ethnic group identification, ancestry, age, sex, sexual orientation, medical condition, marital status, political affiliation, or physical or mental disability in accordance with requirements of Federal and State laws. For the purpose of this sub-paragraph, discrimination in the provision of services may include, but is not limited to, the following: Denying any person any service or benefit or the availability of a facility; providing any service or benefit to a person which is not equivalent or is provided in a non-equivalent manner or at a non-equivalent time, from that provided to others; subjecting any person to segregation or separate treatment in any manner related to the receipt of any service; restricting any person in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any service or benefit; and treating any person differently from others in determining admission, enrollment quota, eligibility, membership, or any other requirements or conditions which persons must meet in order to be provided any service or benefit. Contractor shall take affirmative action to ensure that intended beneficiaries of this Agreement are provided services without regard to race, color, religious creed, national origin, ethnic group identification, ancestry, sex, sexual orientation, age, medical condition, marital status, political affiliation, physical or mental disability.

8.8.10 The Contractor shall certify to, and comply with, the provisions of Exhibit C - Contractor's EEO Certification.

8.9 COMPLIANCE WITH THE COUNTY'S JURY SERVICE PROGRAM

8.9.1 Jury Service Program

This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit G and incorporated by reference into and made a part of this Agreement.

8.9.2 Written Employee Jury Service Policy

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall also be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the Agreement.
3. If the Contractor is not required to comply with the Jury Service Program when this Agreement commences, the Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the Contractor shall immediately notify the County if the Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if the Contractor no longer qualifies for

an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that the Contractor demonstrate, to the County's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.

4. Contractor's violation of this sub-paragraph of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.10 CONFLICT OF INTEREST

- 8.10.1 No County employee whose position with the County enables such employee to influence the award or administration of this Agreement or any competing contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Agreement. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.
- 8.10.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Agreement. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this sub-paragraph shall be a material breach of this Agreement.

8.11 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should the Contractor require additional or replacement personnel after the effective date of this Agreement to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Agreement.

8.12 CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS

8.12.1 Should the Contractor require additional or replacement personnel after the effective date of this Agreement, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. If the Contractor decides to pursue consideration of GAIN/GROW participants for hiring, the Contractor shall provide information regarding job openings and job requirements to DPSS' GAIN/GROW staff at GAINGROW@dpss.lacounty.gov. The County will refer GAIN/GROW participants by job category to the Contractor.

8.12.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

8.13 CONTRACTOR RESPONSIBILITY AND DEBARMENT

8.13.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible Contractors.

8.13.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires

information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing contracts the Contractor may have with the County.

8.13.3 Non-responsible Contractor

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

8.13.4 Contractor Hearing Board

1. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object

to the tentative proposed decision prior to its presentation to the Board of Supervisors.

3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
4. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to

reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.13.5 Subcontractors of Contractor

These terms shall also apply to subcontractors of County Contractors.

8.14 CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW

The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used. Information on how to receive the poster can be found on the Internet at www.babysafela.org.

8.15 CONTRACTOR'S EXCLUSION FROM PARTICIPATING IN FEDERALLY FUNDED PROGRAM

8.15.1 Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, (which includes Medicare, Medi-Cal and Healthy Families) and that Contractor will notify Director within ten (10) calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary or suspension action taken by any agency of the Federal or State governments against Contractor or one or more staff members barring it or the staff members from participating in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

8.15.2 Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any exclusion or suspension of Contractor or its staff members from such participation in a Federally funded health care program.

8.15.3 Failure by Contractor to meet the requirements of this subparagraph shall constitute a material breach of contract upon which County may immediately terminate or suspend this Agreement.

8.16 CONTRACTOR'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

8.16.1 The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through contract are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.16.2 As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor's duty under this Agreement to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall during the term of this Agreement maintain in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.17.1 Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

- 8.17.2 Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with Los Angeles Code Chapter 2.206.

8.18 COUNTY'S QUALITY ASSURANCE PLAN

- 8.18.1 The County or its agent will evaluate the Contractor's performance under this Agreement on not less than an annual basis. Such evaluation will include assessing the Contractor's compliance with all Agreement terms and conditions and performance standards. Contractor deficiencies which the County determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected will be reported to the Board and listed in the appropriate contractor performance database.
- 8.18.2 The report to the Board will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Agreement or impose other penalties as specified in this Agreement.

8.19 DAMAGE TO COUNTY FACILITIES, BUILDINGS OR GROUNDS

- 8.19.1 The Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by the Contractor or employees or agents of the Contractor. Such repairs shall be made immediately after the Contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.
- 8.19.2 If the Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by the Contractor by cash payment upon demand.
- 8.19.3 County reserves the unilateral right to make any repairs which Director determines, in his sole discretion, to be a public safety issue requiring immediate repair. County will bill Contractor for the cost of said repair or deduct said cost from any outstanding amounts owed by County to Contractor.

8.20 EMPLOYMENT ELIGIBILITY VERIFICATION

- 8.20.1 The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Agreement meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The Contractor shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor shall retain all such documentation for all covered employees for the period prescribed by law.
- 8.20.2 The Contractor shall indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Agreement.

8.21 FACSIMILE REPRESENTATIONS

The County and the Contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to sub-paragraph 8.1, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Amendments to this Agreement, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of "original" versions of such documents.

8.22 FAIR LABOR STANDARDS

The Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but

Furthermore, if Contractor carries out any of the services provided hereunder through any subcontract with a value or cost of Ten Thousand Dollars (\$10,000) or more over a twelve (12) month period with a related organization (as that term is defined under Federal law), Contractor agrees that each such subcontract shall provide for such access to the subcontract, books, documents and records of the subcontractor.

8.24 FORCE MAJEURE

8.24.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Agreement, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as "force majeure events").

8.24.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this sub-paragraph, the term

“subcontractor” and “subcontractors” mean subcontractors at any tier.

- 8.24.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event

These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other Contractual obligation imposed upon Contractor pursuant to this Agreement. Contractor's policies shall not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

Medical Health Screening

All potential Contractor personnel shall complete to the satisfaction of County a medical health screening to determine if the person meets the medical criteria and immunizations standards established for the prospective job classification/assignment before commencing services. The Contractor shall use the DHS Forms and medical health screening methodology provided in the Contractor package.

The medical health screening shall be performed by a physician or other licensed healthcare professional (PLHCP) authorized to perform such a physical screening, with such cost at the expense of the Contractor. If the Contractor chooses to have the DHS Employee Health Services (EHS) perform such assessments and screening, the Contractor will be billed for the services regardless if the Contractor's staff passes or fails the screening. Contractor personnel shall present a letter on Contractor letterhead authorizing personnel to obtain the screening from DHS' EHS. DHS EHS will bill the Contractor for the cost and/or deduct the amount from funds owed.

Contractor personnel shall provide DHS EHS with documentation of health screenings and evidence of the absence of communicable diseases using the County's "Health Clearance Certification, E2" form. The Certification form must be completed by the prospective Contractor personnel and their health care provider, then by the Contractor attesting verification of completion of DHS forms. The Health Clearance Certification, E2 form may be accessed on line at: http://cq.dhs.lacounty.gov/EHS_Forms/EHSBLANKFORM.htm

The Contractor must provide DHS EHS with the source documents for review within four (4) hours of a request. Source documents pertaining to the pre-employment health evaluation, Tuberculosis, Respiratory Fit Testing, and other immunizations will be maintained by the contractor. Failure to provide appropriate source documentation of health screenings/clearance will result in immediate termination of assignment and placement of Contractor's personnel in a "Do Not Send" status until compliant.

DHS Facility Staff are required to ensure the Contractor personnel receives the appropriate documents; has submitted them to the facility EHS and has obtained health clearance prior to beginning the work assignment.

No person will be allowed to work at anytime inside a DHS medical facility without appropriate documentation of health screening. In those instances where persons have no demonstrated immunity, and have refused vaccination, a waiver to that effect must be obtained and on file. Lack of immunity to certain diseases will restrict assignment locations within the hospital.

All Contractor personnel who have potential exposure to respiratory hazards and/ or aerosol transmissible disease shall provide appropriate documentation of a respiratory fit test on the same make, model, style, and size of respirator that will be used in facility. If indicated, this requirement is mandatory annually.

Medical Health Screening

Per County policy, Contractor personnel are required to comply with annual health screening. Unless provided for per contract, Contractor personnel shall have their PLHCP conduct the assessment in accordance with County policy and procedures. This documentation is the "Health Clearance Certification, E2". The workforce member will be provided with the necessary documentation for completion and submission to their PLHCP. The PLHCP will complete the documents and submit them to the Contractor, as appropriate, with the completed certification form.

Contractor personnel may be given a 30-day reminder to comply with annual health screening requirements. Contractor personnel who do not comply with annual or other health screening requirements will be given a letter indicating they have five (5) days to comply or face termination of assignment. A copy of the "letter" will be provided to the Contractor personnel's supervisor for action. Failure to provide documentation of health screening/clearance will result in immediate termination of assignment and placement in a "Do Not Send" status until compliant.

Emergency services will be provided post-exposure to Contractor personnel who have potential exposure to occupational hazards within the allowable time frames, but will be billed to the Contractor, as appropriate. Contractor personnel who are exposed to occupational hazard or incur injury while performing their duties for the County will be reported on the OSHA Log 300/301, as required by state and federal regulation and guidelines.

In the event of an occupational needlestick injury or other exposure to Contractor personnel to blood and body fluids or airborne contaminants, medical care will be provided by the DHS EHS or Emergency Room, but will be billed to the Contractor, as appropriate. Contractor personnel may go to the facility DHS EHS or the designated department for initial care within the allowable treatment time frames. Cost of initial treatment will be billed to the Contractor, as appropriate. Subsequent follow-up treatment will be conducted through the appropriate agency's medical provider or the employee's personal physician. If Contractor chooses to have the DHS EHS provide subsequent follow-up care, the Contractor will be billed accordingly.
